

Mississippi Recycling Coalition

Environmental Heroes Wanted!

The Mississippi Recycling Coalition (MRC) is soliciting nominations for our annual “Recycler of the Year” Awards honoring the outstanding recycling efforts of organizations, businesses, schools, and local governments around the State of Mississippi. Please help us by nominating a deserving organization that you believe should be recognized for one of MRC’s annual “Environmental Hero” awards. MRC will use the following criteria to select award winners:

- Promotes recycling to create a better community;
- Conducts continuous recycling and/or environmental programs rather than a one-time project;
- Practices and improves awareness of environmental stewardship; and
- Improves community waste handling and environmental practices.
